InfiniMed

InfiniMed

The expertise you need, when you need it.

GE Centricity® Business Technical Services

Making your software do what you need,
when you need it, since 1995.

www.infinimed.com

Why InfiniMed?

InfiniMed's seasoned professionals are experienced with Caché®, (M)umps and GE Centricity® Business applications.

InfiniMed's clients benefit from rapidly customized solutions that support changing business practices.

InfiniMed programmers and analysts will exceed expectations.

InfiniMed's solutions are the right answer for your company when:

- You find that your current GE Centricity® Business applications are limiting business processes — we'll implement solutions to make your software work for you.
- You want more from GE Centricity® Business support — we have the specialized staff you need.
- You need a GE Centricity® Business professional without creating a permanent position — we can provide short- or long-term resources to get job done.

Our Expertise

InfiniMed's expert programmers and analysts have extensive experience with all GE Centricity® Business applications:

- Application functionality and tools
- Project work and system setup
- EDI Toolkit, DBMS, FDL, SQL
- Caché, AES and Mumps
- Caché system administration
